

IMPORTANT INFORMATION

ABOUT YOUR TRASH SERVICES

FROM WASTE MANAGEMENT

Some of you may have or are receiving invoices with an increase in fees from \$45 per quarter to \$48 or some other amount. If your bill has been or is more than \$45, the invoice is incorrect. Please contact Justin Franks at Waste Management (404-794-6707) to correct the bill and to credit any overages paid.

The Echo Mill HOA contracted rate for trash and recycling services is \$45 per quarter, no other fees or charges. Trash day is Thursdays. If you have any questions, you can contact Debbie Pelfrey at Heritage Management or any Board member. Contact information is on the EMHOA website.
